1/ The 1940 price and value figures are preliminary.

The season average prices for the 1940 crop include an allowance for loan wheat at average loan value. The crop marketing season is June 1 to May 31 for Kansas, North Carolina, South Carolina, Georgia, Tennessee, Alabama, Arkansas, Oklahoma, Texas, New Mexico, Arizona, and California; July 1 to June 30 for all other States. Value of "all wheat" differs slightly from sum of wheat by kinds due to rounding of "all wheat" price.

The values shown are for the marketing season or crop year and should not be confused with calendar year income.

1/ Estimates for each State cover the entire crop, whether commercial or noncommercial, early or late.

2/ The 1940 price and value figures are preliminary.

3/ List of early States excludes California. Average price and total value of all California potatoes shown under surplus late States.

In Florida and Texas, the crop marketing season begins about December 1 of the year preceding the year shown. For all other States the marketing season begins during the year shown. For any one State, the marketing period does not exceed 12 months, except for California, where it is 14 months. The values shown are for the marketing season or crop year and should not be confused with calendar year income.

1/ Estimates for the commercial crop relate to apples produced in the commercial apple counties of each State and are not comparable with former estimates of price and value for "commercial" apples which related to sales for fresh consumption only in the entire State.

2/ For some States, production includes some quantities unharvested on account of market conditions. Price and value apply only to the harvested portion of the crop.

3/ The 1940 price and value figures are preliminary.

The crop marketing season is June 1 to May 31 for N.J., Ind., Ill., Mo., N.Mex., and all South Atlantic and South Central States; July 1 to June 30 for all other States. The values shown are for the marketing season or crop year and should not be confused with calendar year income.
